### JAPANESE POLICE RESPONSE TO PROTESTERS

**MCAS FUTENMA:** 10 USC 130b; (b)(7)(E)

**CAMP SCHWAB:** At 0940, 03Jun16, approximately 15 protesters blocked the outbound lane of GATE 1. OPPH riot police aggressively removed protesters from outbound lanes of traffic after three verbal warnings every time a protester blocked traffic. At 1140, all protesters left the scene.

**CAMP FOSTER:** At 1029, 03Jun16, six protesters attempted to block inbound/outbound traffic at GATE 1. JSGs and MPs have issued warning for protesters to move. At 1054, 16 Okinawa City PD officers arrived on scene and allowed protesters to block a "Y" plated vehicle from exiting GATE 1 for 11 minutes. After male and female protesters moved to HWY 330 to block outbound traffic, JPs moved them out of the way. At 1141, all six protesters and JPs left the scene.

### INCREASED CAMP SCHWAB PROTEST ACTIVITY

**JUNE 1:** Approximately 90 protesters blocked outbound traffic from GATE 1. Okinawa Prefectural Police Headquarters (OPPH) police surrounded protesters and moved them approximately one hour later, with 20 vehicles waiting in the outbound lane.

**JUNE 2:** Approximately 60 protesters blocked outbound traffic from GATE 1 for one hour. Two Military Police vehicles escorted traffic around the protesters to get off base.

**JUNE 3:** Approximately 15 protesters blocked outbound traffic for 20 minutes. OPPH is giving the protesters three warnings to move on their own or they will forcibly be moved from the gate.

**Analyst Note:** Local and military law enforcement have an ethical obligation to rise above local emotion and to protect Japanese and SOFA personnel. With the DUI/traffic accident that took place 04May16, involving a Navy officer causing injuries to an Okinawan woman, all SOFA members need to be aware of further increase in aggressive anti-US demonstrations by potentially hostile groups or individuals directed at MCIPAC forces, families, and installations.
